

Wilderness Reading Club

Our reading club is specially designed for students aged 3-6 from 13:00 – 14:00. This innovative program aims to foster a love for reading and lay a strong foundation for future academic success. Through engaging activities and tailored instruction, we provide a nurturing environment where young learners can embark on their literary journey with confidence and enthusiasm.

Key Features of our Reading Club include:

- **Phonics and Language Development** - We focus on developing phonemic awareness, letter recognition, and early language skills. Our dedicated instructors employ research-based strategies to introduce young learners to letter sounds, vocabulary, and simple sentence structures.
- **Interactive Storytelling** - We believe in the power of storytelling to captivate young minds. Our program incorporates interactive storytelling sessions, where students actively participate in the narrative, enhancing their listening comprehension and imagination.
- **Sight Words and Vocabulary Building** - We introduce high-frequency sight words to expand children's reading repertoire. Through engaging activities and games, we strengthen their vocabulary and help them recognize and understand common words in context.
- **Early Literacy Skills** - Our program includes a variety of activities, such as rhyming exercises, sequencing tasks, and identifying story elements. These activities promote cognitive development and critical thinking skills, setting the stage for successful reading experiences.

Enroll your little one into our Reading Club and watch them thrive as they embark on a lifelong adventure of reading and learning. Our passionate educators are dedicated to nurturing each child's unique abilities and instilling a lifelong love for reading.
